MCX Recorder Case large

The Samas MCX series offers six sizes of sleek, professional cases designed to protect your mixers, recorders, and essential audio gear. Despite their rigid padded interiors, the cases are lightweight thanks to an aluminum frame, providing both strength and portability. Internal compartments keep your equipment perfectly organized, while two detachable side pockets, a removable front pocket, and a detachable stand allow you to use the case without any extra bulk when needed. Crafted entirely in Italy from premium Cordura 1000D, each case combines durability, style, and precision. From small setups to full-scale productions, the MCX series delivers the ideal solution for every audio professional.

External material: Cordura® 1000D

Internal material: High-strength transparent plastic material for clear pouches

Internal material: Nylon 210

Internal material: Hook-and-loop velvet for optimal divider adjustment

Italian-made tape for handles and straps

Velcro: Velcro®

Zipper: High-quality SBS zipper

Durable plastic half rings

0.5 mm rigid plastic insert

0.5 cm rubber padding

Breathable anti-slip Air Space fabric for shoulder straps

Italian-origin anti-slip suede leather handle grips, Green certified
